LUCY MAUD MONTGOMERY CHILDREN'S GARDEN OF THE SENSES COMMUNITY DONATION FORM

The **Lucy Maud Montgomery Children's Garden of the Senses** is a special garden for children, which has been inspired by Montgomery's children's storybooks. The garden uses plants and other elements with distinct sensory qualities to stimulate children's senses of sight, touch, hearing, smell and taste. Through fun-filled interactive and inclusive activities, children gain a fuller appreciation of nature and children's literature through their sensory experiences.

The realization of this **Children's Garden of the Senses** can be achieved through generous donations by community members to the Town of Halton Hills ("Town"). Donations can be made by completing this Community Donation Form and submitting payment to the Town. Tax-deductible donation receipts will be issued by the Town. Donor recognition will be given on site through the garden signage.
